

Leila Pinheiro - Call me

Tom: C

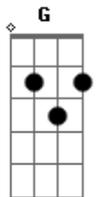

Quando estou sozinha e triste
 Quando em volta está deserto
 Quando tudo esta incerto
 Eu te chamo e você vem
 Pra perto como quem nunca partis-se
 Como quem nunca tives-se ido
 Pra longe de mim
 Mas Também se algum dia
 Por tristeza ou alegria

Você quer ou me precisa
 Só precisa me chamar
 Pra perto certo que eu venho depressa
 Como quem não vai embora
 Como quem nunca partiu
 Agora é hora de ir embora
 Logo vai amanhecer
 E a minha vida
 É a minha vida
 E a sua é de você
