Lemonheads - Being Around

Tom: G

```
      G                 G               C                 C
If I was in the fridge,  would you open the door?
G             Em               D                 D
If I was the grass, would you mow your lawn?
G             G               C                 C
If I was your body, would you still wear clothes?
G           Em           D                 D
If I was a booger, would you blow your nose?
                  C                   D
Where would you keep it? Would you eat it?
           G                 Em       C  D    G
I'm just tryin to give myself a reason, for being around

G                 G                  C                 C
If I was the front porch swing would you let me hang?
G             Em               D                 D
If I was the dance floor would you shake your thing?
G           G               C             C
If I was a rubber check would you let me bounce
G       Em               D             D
Up and down inside your bank account?
            C                   D
```

```
Would ya trust me, not to break you?
              G                     Em        C         D      G
I'm just tryin really hard to make you, notice me being around

( G )

G           G                  C               C
If I was a haircut would you wear a hat?
G         Em             D                 D
If I was a maid, could I clean your flat?
G             G               C             C
If I was the carpet would ya wipe your feet
G           Em               D                 D
In time to save me from mud off the street?
          C                  D                            G
If you like me, if you love me, why don't you get down on your knees
      Em
And scrub me?
                        C       D
I'm a little grubby
                      G
From being around
```
