tom:

Intro: **E7M** **E** **Abm7** **Gbm7** **B7**

**E7M** **Abm7**  
Baby cant you see that i'm made for you, and you're made for me?

**B7** **E7M**  
Let's pretend that we are not afraid

**Abm7** **Gbm7**  
'Cause i can see your face, when you are close to me

**B7**  
I won't let you down if you still think of me

[Refrão]

**E7M**  
'Cause when i hold you tighter

**Abm7**  
I can feel your heart beating outside

**Gbm7**  
You should know that isn't a lie

**B7**  
Is getting faster just like mine

**E7M** **Abm7**  
But if you told me "I shouldn't be seen by your side"

**Gbm7**  
That i'm wrong and i make you cry

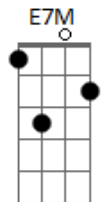

**B7**  
I'd do anything for an apology

**E7M** **Abm7**  
It's so unfair

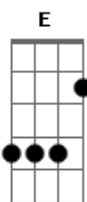

**Gbm7**  
That you cannot be here with me

**B7**  
Do you still care?
