E Abm
Baby cant you see that i'm made for you, and you're made for me?

B7 E
Let's pretend that we are not afraid

Abm Gbm
'Cause i can see your face, when you are close to me

B7
I won't let you down if you still think of me

Abm
I can feel your heart beating outside

Gbm
You should know that isn't a lie
