

# LemonSoda - Love At First Sight

tom:

Intro: C G Gb

C  
Last night, red drink  
G  
I saw you for the first time  
C  
Smile, your eyes  
G  
I don't want to think too much, but I swear  
C  
If you hold my hand  
G Gb  
I won't be asking why  
C  
Cause when I look at your face  
G Gb  
I don't wanna say goodbye  
C  
'Cause I love you since the first time  
G Gb  
Baby, I love you since the first time  
C  
Baby, I love you since the first time  
G Gb  
That I saw you

C  
My hands are shaking  
G

I don't know what to do  
C  
My eyes are blurry  
G  
But I wanna dance with you  
  
And I swear  
C  
If you hold my hand  
G Gb  
I won't be asking why  
C  
Cause when I look at your face  
G Gb  
I don't wanna say goodbye  
C  
'Cause I love you since the first time  
G Gb  
Baby, I love you since the first time  
C  
Baby, I love you since the first time  
G Gb  
That I saw you  
C  
'Cause I love you since the first time  
G Gb  
Baby, I love you since the first time  
C  
Baby, I love you since the first time  
G Gb  
That I saw you
