

LemonSoda - Love At First Sight

tom:

Intro: C G Gb

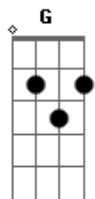

C
Last night, red drink
G
I saw you for the first time
C
Smile, your eyes
G
I don't want to think too much, but I swear
C
If you hold my hand
G Gb
I won't be asking why
C
Cause when I look at your face
G Gb
I don't wanna say goodbye
C
'Cause I love you since the first time
G Gb
Baby, I love you since the first time
C
Baby, I love you since the first time
G Gb
That I saw you

C
My hands are shaking
G

I don't know what to do
C
My eyes are blurry
G
But I wanna dance with you

And I swear
C
If you hold my hand
G Gb
I won't be asking why
C
Cause when I look at your face
G Gb
I don't wanna say goodbye
C
'Cause I love you since the first time
G Gb
Baby, I love you since the first time
C
Baby, I love you since the first time
G Gb
That I saw you
C
'Cause I love you since the first time
G Gb
Baby, I love you since the first time
C
Baby, I love you since the first time
G Gb
That I saw you
