

LemonSoda - Thinkin' Of Her

tom:
Intro: Eb Cm
I think too much of her some times
My head can't take her out
Our kisses, then our hands on sand the perfect day

[Primeira Parte]

And I don't know that I can say that I'm fine
I keep dreaming about her every night
Maybe she thinks of me, hopefully, sometimes

[Segunda Parte]

My days are just roads to find her
All other things are just blur
I miss those days, another place, so easy to play

[Primeira Parte]

And I don't know that I can say that I'm fine
I keep dreaming about her every night
Maybe she thinks of me, hopefully, sometimes

[Refrão]

And I don't know if I can take this long hours

Without her smile undoing my sour
And I'm hoping that she stays stays a long time
[Ponte]

Baby I know that you're out there
And I can see in your eyes
Oh, that you don't know how say goodbye

Do you still think about me, dear?
Just think about me cause

[Primeira Parte]

And I don't know that I can say that I'm fine
I keep dreaming about her every night
Maybe she thinks of me, hopefully, sometimes

[Refrão]

And I don't know if I can take this long hours
Without her smile undoing my sour
And I'm hoping that she stays stays a long time
I think too much of her sometimes
