

Lena Meyer-Landrut - Let Me Dream

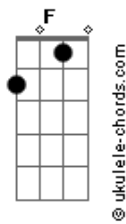

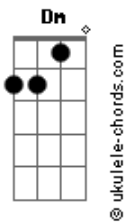

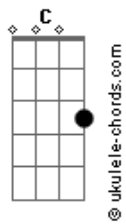

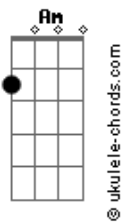

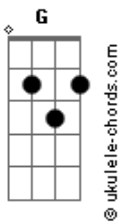

tom:
 [Primeira Parte]

The snow mutes the noise from the street
 Dreams hang like fruits from the trees
 Follow me, let's take a walk in my thoughts
 Where fear is meeting happiness

Acordes

Willow's four hundred years old
 In good or in bad you will grow
 Take your time

[Final]

Count three breaths in, three breaths out
 I'm sinkin' into the sound
 Let me dream in the land of sleep
 Let me dream, let me dream, let me dream
