

Lenine - Pedra e Areia

tom:

Intro: Abm E Abm E

Olha, que brisa é essa?

Que atravessa a imensidão do mar

Rezo, paguei promessa e fui a pé daqui até Dakar

Praia, pedra e areia, boto e sereia, os olhos de Iemanjá

Água! Mágua do mundo, por um segundo achei que estava lá

(E Abm E)

Olha, que luz é essa?

Que abre um caminho pelo chão do mar

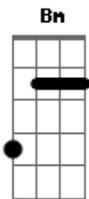

Lua, onde começa e onde termina o tempo de sonhar?

Praia, pedra e areia, boto e sereia, os olhos de Iemanjá

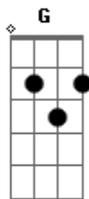

Água! Mágua do mundo, por um segundo achei que estava lá

(E Abm E Abm)
