

## Lenka - Don't Let Me Fall

```
tom:
              D (forma dos acordes no tom de Db )
Capostraste na 1ª casa
       [intro] C C
Underneath the moon, underneath the stars
Here's a little heart for you
Up above the world, up above it all
Here's a hand to hold on to
What am I to do?
I need someone to take, a little of the weight
Or ill fall through
[Refrão]
You're just the one that I've been waiting for
I'll give you all that I have to give and more
But don't let me fall
Take a little time, walk a little line G C
Got the balance right Oh
             Em
Give a little love, gimme just enough
So that I can hang on tight
```
