

Lenny Kravitz - Gonna Go My Way (acoustic)

Tom: **A**

This riff for:

1st verse

I was born
long ago
I am the chosen I'm the one
and get undone
I have come
to save the day

Then this one once:

And I won't leave until I'm done
back to one

Then this twice:

So that's why
you've got to try

2nd verse

I don't know why
we always cry
This we must leave

We must engage
and rearrange

And get this planet

So tell me why
We gotta die

Then this once

You've got to breathe -
-
and have some fun

This twice:

Though I'm not paid -
I play this game

This once:

And I won't stop until I'm done
and be in love

Then chorus once:

B ring here!

But what I really want to know is
Are you gonna go my way

Then maybe this four times or so:

And kill each other
one by one

We've got to love -
and rub-a-dub

We've got to dance
