                                                                                                                                                                                                                                    I'll be giving it my bestest
                                                                                                                                                                                                                                    And nothing's gonna stop me
Today I don't feel like doing anything
                                                                                                                                                                                                                                    But divine intervention
   I just wanna lay in my bed
                                                                                                                                                                                                                                    I reckon it's again my turn
Don't feel like picking up my phone
                                                                                                                                                                                                                                    To win some or learn some
Cause today I swear I'm not doing anything
                                                                                                                                                                                                                                    I won't hesitate

Uh, I'm gonna kick my feet up and stare at the fan
                                                                                                                                                                                                                                    It cannot wait, I'm yours
Turn the TV on, Throw my hand in my pants
                                                                                                                                                                                                                                    (A E Gbm D)

Nobody's gonna tell me I can't, nah
                                                                                                                                                                                                                                    [Segunda Parte]
I'll be lying on the couch just chillin in my snuggie
                                                                                                                                                                                                                                         Well, open up your mind

Oh Oh, yes I said it
                                                                                                                                                                                                                                    Love, love, love
I said it
                                                                                                                                                                                                                                    Listen to the music of the moment \begin{tabular}{l} E \end{tabular}
I said it cause I can

But you're so hot that I melted
I fell right through the cracks
                                                                                                                                                                                                                                       I just wanna lay in my bed
                                                                                                                                                                                                                                                                                                   Gb
And now I'm trying to get back
                                                                                                                                                                                                                                    Don't feel like picking up my phone
