B **Abm**
If I give my heart to you
E **B**
Would you break it too?
E **B**
My heart is the last thing I have
Dbm7 **Gb7**
I lost her to someone new

B **Abm**
If I tore my heart in two
Gb **B**
I'd give a part to you
E **B**
So you never forget to love me
Dbm7 **Gb7**
The way that I love you

B **Abm**
I tried so hard
E **B**
Just don't wanna leave you behind
E **B**
She only wanted half a body
Dbm7 **Gb7**
But I am whole melody
B **Abm**
Although it rains
E **B**
The skies won't ever turn blue
E **B**
Would you lie under my melanin
Dbm7 **Gb** **B**
If I give my heart to you

(**Abm** **E** **B** **E**)
(**B** **Dbm7** **Gb**)

B **Abm**
If I could run back in time
E **B**
I would pray the lord again
E **B**

I'm not sure if I believe in him
Dbm **Gb**
But he knows you're my last amem

B **Abm**
Cause every piece of love I had
E **B**
Led me to your heart
E **B**
I'll hold and keep you safe and sound
Dbm **Gb**
Dancing miles apart

B **Abm** **E** **B**
So find a place where we can be alone
E **B** **Dbm** **Gb**
Then you listen to my heart beating like I listen to your soul
B **Abm**
And dream with me
E **B**
The same way I dream with you
E **B**
So you never lose the sight of me
Dbm **Gb**
If I give my heart

Just hit it man

(**B** **Abm** **E** **B**)
(**E** **B** **Dbm** **Gb**)
B **Abm**
You may not stay
E **B**
But promise to come back to me
E **B**
Because if you land on someone else
Dbm **Gb**
Then I'll never be free

B **Abm**
Run away
E **B**
Just like they always do
E **B**
Would you try to find a reason to stay
Dbm **Gb** **B**
If I give my heart to you
