

# Léo Jundi - Cleansing Power

tom:

Intro: G Am7 Bm C7 C

Oh, cleansing power, the power that's in your blood

Oh, sacrifice, on calvary you died for us

Oh, cleansing power, the power that's lied for us

Oh, sacrifice, on calvary you tore the veil

Great are you, lord! For me

You took on the cross, the debit that once was mine

And now, I lift up my hand, my redemption draws are new

Jesus, you are my love, you are my saviour and my king

Jesus, you are my love, your blood has rescued me from the sin!
