

Leo Souto - Blame Me

tom:

A

[Primeira Parte]

How animals live in cages and dont kill each other
 And why I fell trapped on that I call my home?
 How they live with their own species, like mutualism?
 And why men live with men and it feels like predatism?

Oh- Oh Oh

[Refrão]

You can't blame me!
 Im just being ali-ivee (no!)
 How can u tell me? How to live my life?
 Boy dont stare me! Im not afraid of lies
 Cause u know

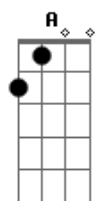

Im cold inside

[Segunda Parte]

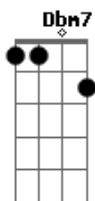

Icefalls, they cry me a river
 On what u call a paradise
 Just open your eyes
 And see your lies (NO WAY OF LIFE!)

You can't blame me!
 Im just being ali-ivee (don't!)
 Don't you blame me, I know all your lies!
 The world's on fire, and you lie down?
 Staring at the fan, dancing on the bed
 Doing whatever you can
 Cause you know, time's running
 And the end keeps on hunting you for
 Being alive
