G
Don't wanna get ahead of myself
Feeling things I've never felt
It's kinda hard for me to explain

Am
Her personality and everything
Brings me to my knees, ooh

G
She shines me up like gold on my arm
I wanna take it slow but it's so hard
I love to see her face in daylight

Am
It's more than just our bodies at night

D
But she's really tempting me, ooh

Am
Do you think I'm being foolish if I don't rush in?

C
I'm

G
I'm scared to death that she might be it
That the love is real, that the shoe might fit

G
She might just be my everything and beyond (beyond)

Am
Space and time in the afterlife
Will she have my kids? Will she be my wife?

G
She might just be my everything and beyond

G
I wanna bring her 'round to meet ya
I think you'd like her kind demeanor

Am
I know that Grandma would've loved her, like she was her own

She makes me feel home, ooh
