

# Leonard Cohen - One Of Us Cannot Be Wrong

Tom: **D**  
Intro: **A**

**A** I lit a thin green candle to make you jealous of me  
**Bm** **D** **Bm** **D**  
**E** But the room just filled up with mosquitos, they heard that my  
body was free **Gbm** **Dbm** **D**  
**A** Then I took the dust of a long sleepless night and I put it in  
your little shoe **Bm** **G** **A** **Bm**  
**A** And then I confess that I tortured the dress that you wore for  
the world to look through **G** **A** **Bm**

I showed my heart to the doctor, he said I just have to quit  
Then he wrote himself a prescription and your name was  
mentioned in it  
Then he locked himself in a library shelf with the details of

our honeymoon  
And I hear from the nurse that he's gotten much worse and his  
practice is all in a ruin

I heard of a saint who had loved you, so I studied all night  
in his school  
He taught that the duty of lovers is to tarnish the golden  
rule  
And just when I was sure that his teachings were pure he  
drowned himself in the pool  
His body is gone but back here on the lawn his spirit  
continues to drool

An Eskimo showed me a movie he'd recently taken of you  
The poor man could hardly stop shivering, his lips and his  
fingers were blue  
I suppose that he froze when the wind took your clothes and I  
guess he just never got warm  
But you stand there so nice, in your blizzard of ice, oh  
please let me come into the storm

La, la ,la ,la...
