 Yes you who must leave everything  
 E A D A  
 That you cannot control  
 Dbm Abm  
 It begins with your family  
 Dbm Abm E  
 But soon it comes round to your soul

 Well I've been where you're hanging  
 G Gbm E  
 I think I can see how you're pinned  
 A D  
 When you're not feeling holy  
 A E A D  
 Your loneliness says that your've sinned

They lay down beside me  
 Dbm Abm E  
 I made my confession to them

 G Gbm E  
 And I touched the dew on their hem

 If your life is a leaf  
 A E A D  
 That the seasons tear off and condemn  
 Dbm Abm  
 They will bind you with love  
 Dbm Abm E  
 That is graceful and green as a stem

 When I left they were sleeping  
 A E A D  
 I hope you run into them soon  
 Dbm Abm  
 Dont turn on the lights  
 Dbm Abm E  
 You can read their address by the moon  
 D A  
 And you wont make me jealous  
 G Gbm E  
 If I hear that they sweetened your night  
 D E  
 A D  
 We weren't lovers like that  
 A E A  
 And besides it would still be alright
