

Leonardo André - O Ribeirão Secou

tom:

As flores já não crescem mais
 Até o alecrim murchou
 O sapo se mandou
 O lambari morreu
 Por que o ribeirão secou

Oi trala lala lala oi
 Oi trala lala lala oi
 Oi trala lala la
 Oi trala lala la
 Oi trala lala la

Oi trala lala lala oi

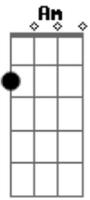

Agora vou pedir a Deus
 Com muito amor no coração
 Que o sol volte a brilhar
 Que a chuva molhe o chão
 Então as flores crescerão

Oi trala lala lala oi
 Oi trala lala lala oi
 Oi trala lala la
 Oi trala lala la
 Oi trala lala lala oi
