                 E
Intro: E  Gbm7  E  Aadd9
        E  Gbm7  E  Aadd9

             E      Gbm7     E
Well, i've heard a million times
    Aadd9
In many songs and rhymes
           E    Gbm7     E              B    B
I've witnessed arguments about how it will be
            E     Gbm7  E
Will it be every living eye
            Aadd9
To see him coming in the sky
         Dbm7        E    Gbm7              E
And what about the midnight cry, i hear them say

           E    Gbm7       E
Are the streets like I was told
          Aadd9
Are they really made of gold
           E     Gbm7   E              B    B
And will Jerusalem be built where it is now
               E   Gbm7    E
How can there be a crystal sea
       Aadd9
If the sea has ceased to be
           Dbm7     E   Gbm7               E
All these questions annoy me, i just don't care

                 Aadd9       Badd9
Cause i want to be there
                 E
I just want to be there
     E    Dbm7 B  E
And sit at my je-sus' feet
   E     B     B
I wanna be there
              Dbm7 B        E
I just don't care about the crown
        Gbm E     Aadd9
Or the color of the gown
         Dbm7    E  Gbm7              E

As long as jesus is in town i wanna be there

( E  Gbm7  E )
( A  E  B  Aadd9 )
( E  Gbm7  E  Gb  Gbm )
( E  Aadd9  E  Gb )
( Aadd9  E )

    Aadd9                                                    B
I know there are things in this life that we can't understand
           B                    Dbm7       E Aadd9
There are moments we tend to forget where we belong
                                                             B
Sure, there's time? yes, there's wealth in that beautiful
place
                      Dbm      E    Gbm7
But all i want is to see him face to face

                  Aadd9     B
I just want to be there
                   E
I just want to be there
     E    Dbm7 B  E
And sit at my je-sus' feet
   E     B     B
I wanna be there
              Dbm7 B        E
I just don't care about the crown
        Gbm E     Aadd9
Or the color of the gown
         Dbm7    E  Gbm7
As long as jesus is in town
         Dbm7    E  Gbm7
As long as jesus is in town
         Dbm7    E  Gbm7
As long as jesus is in town
              E
I wanna be there

[Final] E  Gbm7  E
