

Sondre Lerche - Almighty Moon

Tom: C
Intro: 2x: Am A Am Am7

Well it's all over now. Oh, I'm not gonna beg to differ
So unfit to be lounging with her
You've been running around now, running around, running around

But you made your mind up, and you couldn't believe your luck now
How the chemicals combined and still how
You were running around now, running around, running around now now now

So go and fake on more mistake, and choose to be so cruel
I can't defend myself against almighty moon

Oh, it's all over now, it was peachy for a while, then bitter
The start was flawless but you'll end a quitter
Always running away now, running away, running away

When you sweat the truth out, little something pulls you right back in trust
Little nothings to be pulling tricks just
To keep you running around now, running around, running around now now now

So go and fake on more mistake, and choose to be so cruel
I can't defend myself against almighty moon

Am A Am Am7 2x

Am(maj7) Am7 Am Am7
Am(maj7) Am7 Am Db7 C

Dm Dm(maj7) Dm7 Dm(maj7)
Dm Dm(maj7) Dm7 Dm Fm Em Ebm Dm

Wake up, wake up, you made your last mistake, the world can be so cruel
I won't abide the tide of your almighty moon
My old almighty moon, i know your tricks too well, now please!

Acordes

Diagram showing 12 ukulele chord fingerings: A, Am, Dm, F7M, C7M, C, Am7, Em7, Dm7, C7, Fm, En, Ebn, and Db7. Each diagram shows a 4-string ukulele fretboard with dots indicating finger positions. The diagrams are arranged in two rows of six.
