

# Les Miserables - I Dreamed a Dream

Tom: Eb

( Eb Eb Cm Eb Ab Ab )

**Eb** I dreamed a dream in time gone by  
**Ab** When hope was high  
**Eb** And life worth living  
**Eb** I dreamed that love would never die  
**Ab** I dreamed that God would be forgiving  
**Eb** Then I was young and unafraid  
**Ab** And dreams were made and used and wasted  
**Eb** There was no ransom to be paid  
**Ab** No song unsung, no wine untasted

**C** But the tigers come at night  
**C** With their voices soft as thunder  
**Bb** As they tear your hope apart  
**Bb**

And they turn your dream to shame

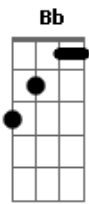

**Eb** He slept a summer by my side  
**Ab** He filled my days with endless wonder  
**Eb** He took my childhood in his stride  
**Ab** But he was gone when autumn came

**F** And still I dream he'll come to me  
**Bb** That we will live the years together  
**F** But there are dreams that cannot be  
**Bb** And there are storms we cannot weather

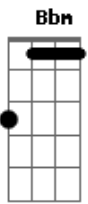

**Dm** I had a dream my life would be  
**Gm** So different from this hell I'm living  
**F** So different now from what it seemed  
**Bb** Now life has killed the dream I dreamed.
