The sun starts **Gb** now to go away **Bbm**
 In such a silent place **B** **Ab**

 Is such a lonely place **B** **Ab**
 Can feel the cold **Ebm** **Db** **B**
 Burning inside
 (**Db** **B** **Db** **Dm#5**)

Gb **Dm#5**
 Love

 We will hide from the sun

 Until it's over

 The moon is shining on the graves

 In such a deadly place **B** **Ab**
 Can feel them close **Ebm** **Db** **B**
 Just getting inside

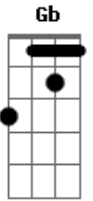

(**Db** **B** **Db** **Dm#5**)

Gb **Dm#5**
 Love (the end it's closer)

 We'll hide from the sun **Db** **Dm#5**
 Until it's over **Gb** **Dm#5**
 Love (the end it's closer)

 We'll dance in the darkness **Db** **Dm#5**
 Until it's over
