

# Letter B - Uninvited

Tom: C

Intro: G G C C

G You'll never feel the earth beneath your feet

C G C C You'll never feel the cold of an empty beach

A You are uninvited to this world

A You're just a fact, nothing else more

C You're just an unpleasant mistake

From two confused lives

C Neither a number, you will be

Maybe a thought in a weak mind

G You'll never feel the earth beneath your feet

C You'll never feel the cold of an empty beach

G No warm arms will hold you tight

C C C C No tender lips to kiss you good night

A You are history, but you've got none

A You are a mistery, but who will know

C You're just a fact, nothing else more

C You're just a shell, left on the shore

C You are uninvited to your life

Fm You're not the only one, you're the one

G You'll never feel the earth beneath your feet

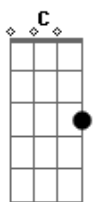

C You'll never feel the cold of an empty beach

G No warm arms will hold you tight

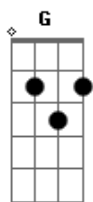

C No tender lips to kiss you good night

( G G C C )
