

# Level 42 - Children Say

tom:

A

Intro: Gbm7 B  
 Gbm7 B Bm7 E  
 Gbm7 B Bm7 E

[Primeira Parte]

Gbm7  
 I keep to myself what I might share with others  
 B  
 But they don't seem to understand  
 Gbm7  
 I open my mouth to rediscover  
 B Bm7 E  
 I don't have the words at my command

Gbm7  
 Holding out for a world so much better  
 B  
 But I'm a stranger in a stranger's land  
 Gbm7  
 All my friends have sold out  
 Couldn't handle the pressure  
 B  
 Counting their blessings  
 Bm7 E  
 Trying to salvage what they can

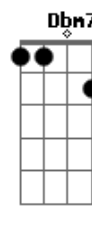

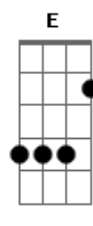

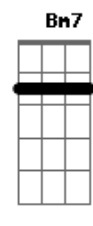

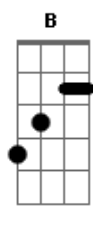

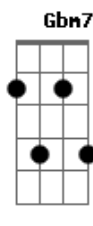

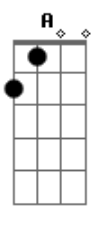

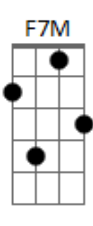

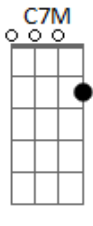

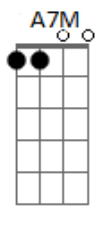

[Refrão]

Dbm7 A7M  
 Children say, children say  
 C7M D  
 We open our minds as one  
 Dbm7 A7M  
 But one more day slips away  
 C7M D  
 Why don't the dreams of the young never come to be

[Segunda Parte]

Gbm7  
 When I overhear my parents' conversations  
 B  
 Well, I'm struck by the things they say  
 Gbm7  
 It seems they traded the years for mere complications  
 B Bm7 E  
 Who ever thought it could end this way  
 Gbm7  
 They close the door, but they can't lock it  
 B  
 'Cause something of their childhood remains  
 Gbm7  
 And they've felt it before when the man in their pocket  
 B Bm7 E  
 Counted the cost of their material gains
