

Levi Muralha - Todo Seu

Tom: D

E nada me deixa tão bobo, do que te ver chegar, um arrepio
diferente, borboletas na barriga, Você deve imaginar

Que eu anseio ver você chegar, conto as horas pra te encontrar
e eu não consigo me imaginar sem você

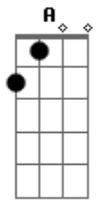

Pois:

Meu sorriso é teu, o motivo é seu, espero poder sempre te encontrar,
na mesma direção

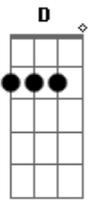

Pois:

Meu abraço é teu, só casa com o seu, eu quero que possa pra sempre
se lembrar, sou todo seu!
