

# Lewis Capaldi - Any Kind Of Life

tom:

Intro: Gb Ebm B Db

[Primeira Parte]

You were the raging storm that wrecked  
A beautiful mind I can't forget  
Knew from the moment that we met I'd take you home  
But now that the future's so unclear  
Have all of your feelings disappeared?  
'Cause I'm in no kind of frame of mind to let you go

[Pré-Refrão]

Hope, have you some that I can borrow?  
'Cause I've been so low  
And the weight of all the world's a heavy load  
Keep me going till tomorrow  
'Cause I just don't know if I can face another day alone

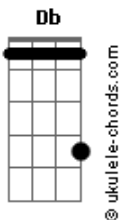

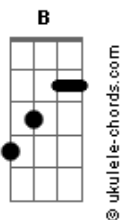

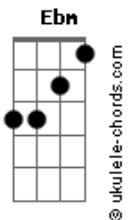

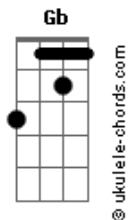

[Refrão]

When my lungs don't breathe  
And my heart don't beat  
And I can't believe in any kind of life without you here  
And I can't move on  
'Cause it feels so wrong  
No, I just don't want any kind of life without you, dear

[Segunda Parte]

Are there any words that I could say?

## Acordes

I'm feeling our moment fade away  
In a matter of hours, we'll be drowning in the waves  
And, all of the memories that we shaped  
We're leaving behind, here in my wake  
If we can save the good we gave, we shouldn't wait

[Pré-Refrão]

Hope, have you some that I can borrow?  
'Cause I just don't know  
If I can face another day alone

[Refrão]

When my lungs don't breathe  
And my heart don't beat  
And I can't believe in any kind of life without you here  
And I can't move on  
'Cause it feels so wrong  
No, I just don't want any kind of life without you, dear

[Final]

Now you're not here, I can't explain  
The carousel of my constant pain  
I'm not sure that I can hold on anymore  
Became a victim of circumstance  
Should have said when I had the chance  
I don't want any kind of life without you here
