

# Lewis Capaldi - Before You Go

tom:  
Capostrate na 3ª casa  
Intro: C

C  
I fell by the wayside like everyone else  
Am  
I hate you, I hate you  
  
I hate you but I was just kidding myself  
F  
Our every moment, I start to replace  
G  
'Cause now that they're gone, all  
  
I hear are the words that I needed to say  
  
C  
When you hurt under the surface  
Am  
Like troubled water running cold  
F  
Well, time can heal but this won't  
  
C  
So, before you go  
Am  
Was there something I could've said  
  
To make your heart beat better?  
F  
If only I'd've known you had a storm to weather  
C  
So, before you go  
Am  
Was there something I could've said  
  
To make it all stop hurting?  
F  
It kills me how your mind can make  
  
You feel so worthless  
G  
So, before you go  
  
C  
Was never the right time, whenever you called  
Am  
Went little by little by little until  
  
There was nothing at all  
F  
Our every moment, I start to replay it  
G  
But all I can think about is seeing

That look on your face

C

Would we be better off by now

If I'd have let my walls come down?  
Am  
Maybe; I guess we'll never know  
F  
You know, you know  
G
