

# Lewis Capaldi - Before You Go

tom:  
 Eb (forma dos acordes no tom de C )  
 Capotraste na 3ª casa  
 Intro: C

C  
 I fell by the wayside like everyone else  
 Am  
 I hate you, I hate you

I hate you but I was just kidding myself  
 F  
 Our every moment, I start to replace  
 G  
 'Cause now that they're gone, all

I hear are the words that I needed to say

C  
 When you hurt under the surface  
 Am  
 Like troubled water running cold  
 F G  
 Well, time can heal but this won't

C G  
 So, before you go  
 Am  
 Was there something I could've said

To make your heart beat better?  
 F  
 If only I'd've known you had a storm to weather  
 C G  
 So, before you go

Am  
 Was there something I could've said

To make it all stop hurting?  
 F  
 It kills me how your mind can make

You feel so worthless  
 G C  
 So, before you go

C  
 Was never the right time, whenever you called  
 Am  
 Went little by little by little until

There was nothing at all  
 F  
 Our every moment, I start to replay it  
 G  
 But all I can think about is seeing

That look on your face

C  
 When you hurt under the surface  
 Am  
 Like troubled water running cold  
 F G  
 Well, time can heal but this won't

C G  
 So, before you go  
 Am  
 Was there something I could've said

To make your heart beat better?  
 F  
 If only I'd've known you had a storm to weather  
 C G  
 So, before you go

Am  
 Was there something I could've said  
 To make it all stop hurting?  
 F  
 It kills me how your mind can make

You feel so worthless  
 G Am  
 So, before you go

F G  
 Would we be better off by now  
 Am  
 If I'd have let my walls come down?

F G  
 Maybe; I guess we'll never know  
 G C  
 You know, you know

C G  
 Before you go  
 Am  
 Was there something I could've said

To make your heart beat better?  
 F  
 If only I'd've known you had a storm to weather  
 C G  
 So, before you go

Am  
 Was there something I could've said

To make it all stop hurting?  
 F  
 It kills me how your mind can make

You feel so worthless  
 G C  
 So, before you go
