

Lewis Capaldi - Grace

```
Don't wanna let the pieces fall out of place
                                                                                                                                                                                                                                                                                                                    I was only just a breath removed from going to waste
    (forma dos acordes no tom de E)

                                                                                                                                                                                                                                                                                                                   Till I found salvation in the form of your
                                                                                                                                                                                                                                                                                                                   [Refrão]
                                                                                                                                                             Am
    I'm not ready to be just another of your mistakes
                                                                                                                                                                                                                                                                                                                                                                                                           G
[Verso 1]
                                                                                                                                                                                                                                                                                                                    Your grace, your grace, your grace
                                                                                                                                                                                                                                                                                                                   Don't take it away
I can't seem to drown you out long enough % \left( 1\right) =\left( 1\right) \left( 1
                                                                                                                                                                                                                                                                                                                    Your grace, your grace, your grace
I fell victim to the sound of your love
                                                                                                                                                                                                                                                                                                                    Don't take it away
You're like a song that I ain't_ready to stop
                                                                                                                                                                                                                                                                                                                    [Ponte]
I got nothing but you on my mind
                                                                                                                                                                                                                                                                                                                    Way too close to colour your cover
[Pré-Refrão]
                                                                                                                                                                                                                                                                                                                    All dressed up but kept undercover
    I'm not ready to be just another of your mistakes \begin{tabular}{c} \begin{tabular}{c}
                                                                                                                                                                                                                                                                                                                    Way too close to colour your cover
Don't wanna let the pieces fall out of place
                                                                                                                                                                                                                                                                                                                    All dressed up but kept undercover
I was only just a breath removed from {\tt going} to waste
                                                                                                                                                                                                                                                                                                                       Your grace, your grace, your grace
Till I found salvation in the form of your
                                                                                                                                                                                                                                                                                                                    Don't take it away
[Refrão]
                                                                                                                                                                                                                                                                                                                    [Pré-Refrão]
Your grace, your grace, your grace
Don't take it away
                                                                                                                                                                                                                                                                                                                       I'm not ready to be just another of your mistakes
Your grace, your grace, your grace
                                                                                                                                                                                                                                                                                                                   Don't wanna let the pieces fall out of place
                                                                                                                                                                                                                                                                                                                    I was only just a breath removed from going to waste
Don't take it away
                                                                                                                                                                                                                                                                                                                    Till I found salvation in the form of your
[Verso 2]
                                                                                                                                                                                                                                                                                                                    [Refrão]
On the verge of almost bleeding you out
Are we too wounded now to ever come down?
                                                                                                                                                                                                                                                                                                                     Your grace, your grace, your grace
Oh, how I long for us to find common ground
                                                                                                                                                                                                                                                                                                                    Your grace, your grace, your grace
                                                                                     F
I've got nothing but you on my mind
                                                                                                                                                                                                                                                                                                                   Don't take it away
[Pré-Refrão]
                                                                                                                                                                                                                                                                                                                        Your grace, your grace, your grace
                                                                                                                                                                                                                                                                                                                    Your grace, your grace
    I'm not ready to be just another of your mistakes
                                                                                                                                                                                                                                                                                                                                            N.C.
                                                                                                                                                                                                                                                                                                                    Don't take it away
