

# Lewis Capaldi - Hold Me While You Wait

Tom: **B**  
Intro: **B**

[Primeira Parte]

**B**  
I'm waiting up, saving all my precious time  
**E**  
Losing light, I'm missing my same old us  
**Ebm**  
Before we learned our truth too late  
**E**  
Resigned to fate, fading away

**Abm** **B**  
So tell me, can you turn around?  
**Gb**  
I need someone to tear me down  
**Abm** **B**  
Oh, tell me, can you turn around?  
**Gb**  
But either way

[Refrão]

**B**  
Hold me while you wait  
**Ebm**  
I wish that I was good enough (hold me while you wait)  
**Abm**  
If only I could wake you up (hold me while you wait)  
**Gb**  
My love, my love, my love, my love  
**B**  
Won't you stay a while? (Hold me while you wait)

[Segunda Parte]

**B** **Ebm**  
Tell me more, tell me something I don't know

If you're gonna waste my time  
**Gb**  
Let's waste it right
