

Lewis Capaldi - Hold Me While You Wait

tom:

Intro: C G Am C

[Primeira Parte]

C G
I'm waitin' up, savin' all my precious time
Am C
Losin' light, I'm missin' my same old us
G
Before we learned our truth too late
Am
Resigned to fate, fadin' away
Am G
So tell me, can you turn around?
C G
I need someone to tear me down
Am C
Oh, tell me, can you turn around?
G
But either way
[Refrão]

C
Hold me while you wait
G
I wish that I was good enough (hold me while you wait)
Am
If only I could wake you up (hold me while you wait)
G
My love, my love, my love, my love
C
Won't you stay a while? (hold me while you wait)
[Segunda Parte]

C G
Tell me more, tell me something I don't know
Am G
Could we come close to havin' it all?
Am
If you're gonna waste my time
G
Let's waste it right
[Refrão]

C
And hold me while you wait
G
I wish that I was good enough (hold me while you wait)
Am
If only I could wake you up (hold me while you wait)

G
My love, my love, my love, my love
C
Won't you stay a while? (hold me while you wait)
G
I wish you cared a little more (hold me while you wait)
Am
I wish you'd told me this before (hold me while you wait)
G
My love, my love, my love, my love
C
Won't you stay a while? (hold me while you wait)
[Ponte]

Am G
This is you, this is me, this is all we need
C G
Is it true? My faith is shaken, but I still believe
Am G
This is you, this is me, this is all we need
C G
So won't you stay a while?
[Refrão]

And hold me while you wait
C
I wish that I was good enough (hold me while you wait)
G
If only I could wake you up (hold me while you wait)
Am
My love, my love, my love, my love
G
Won't you stay a while? (hold me while you wait)
C
I wish you cared a little more (hold me while you wait)
G
I wish you'd told me this before (hold me while you wait)
Am
My love, my love, my love, my love
G
Won't you stay a while? (hold me while you wait)
C
Stay a while (hold me while you wait)

(My faith is shaken, but I still believe)
G
Stay a while (hold me while you wait)
Am
My love, my love, my love
G
Won't you stay a while?
