

Lewis Capaldi - How I'm Feeling Now

tom:
C

Will you forgive me if I'm comin' C
Off a little bit obtuse?
Well, it's been a minute now since G
I have had to tell the truth
Am G
I know I can
F
I won't

Suppose I thought that, by this moment C
I would have it figured out
But, instead, I tend to spend my days G
Consumed by seeds of doubt
(Am G)
I know I can
F
I won't

F Am
Oh, darlin', it goes on and on and on
G F
Always, forever, till I'm barely

Holdin' on
G Am
End of my tether and I know it

Won't be long
G C G
It won't be long till it's gone

F Am
So here's to my beautiful life
G
That seems to leave me so unsatisfied
F Am
No sense of self, but self-obsessed
G
I'm always trapped inside my fuckin' head

F F
On and on and on, on and on and on
Am Am
On and on and on, on and on and on
F Am
Said, Thought I'd be happier somehow
G
If you were wonderin' how I'm feelin' now

C Cm F
I won't lie, I'm a mess, yeah
F G
But I'll get there
C Cm F
No, I won't lie, I'm a mess, yeah
F
But I'll get there

F Am
So here's to my beautiful life
G
That seems to leave me so unsatisfied
F Am
No sense of self, but self-obsessed
G
I'm always trapped inside my fuckin' head

F F
On and on and on, on and on and on
Am Am
On and on and on, on and on and on
F Am
Said, Thought I'd be happier somehow
G
If you were wonderin'
C
How I'm feelin' now

C
I try to tell myself my best days
Are the ones that lie ahead

Acordes

G
But I'm always lookin' back on things

I wish I'd never said
Am G
I know I can
F
I won't
