

Lewis Capaldi - One

tom:

[Primeira Parte]

A Long hours and a few dying flowers
 Gbm But you never seem to stick around
 A How could you let something so good
 Gbm Go to waste and bleed the colours out?

[Pré-Refrão]

Gbm You don't know what you got 'til it's gone
 Dbm Know when it's right 'til it's wrong
 D In search of perfect when you had it with you all along
 Gbm You broke her heart down with ease
 Dbm Now I'm picking up every piece
 D You must be so hard to please

[Refrão]

A I wish I could say
 E "Thank you for all the mistakes
 D Thank you for all of the pain"
 Gbm I guess somebody else's loss is another's gain
 E I'm saying thank you to the one who let her get away
 D Away

[Segunda Parte]

A She gave you love, but it wasn't enough
 Gbm You had your mind set out on other things
 A Can't sleep at night, now you're paying the price
 Gbm You let another come and take your place

[Pré-Refrão]

Gbm You don't know what you got 'til it's gone
