[Verso 1]

Em G
The space between where our ends meet

Has grown too much for me to block it out
Em G
I miss the tone of your heartbeat

It's such a warming and familiar sound
Em D G
I hope you're finding the power
C
To help you make it through the darker days

If you wanna take somebody's breath away

G D C
I hope you're lonely, hope you're lost 'cause I've been

And I'd hate to think you're better off without me
D
I know we tried to hold on
C
But where do you go
Cm G
When love, it just ain't enough?
G D C
Now does it kill you when you think about me?

Are you as close to giving up as I've been?
D
I know we kept losing touch

Got lost in the rush
Cm G
I pray you don't hurt too much

[Verso 2]

Em G
I don't come close to an angel
C
You ain't never been no kind of saint
Em G
But when we both came together

Hell to heaven, you were my escape
Em D G
But fires don't burn forever
C
And all these ashes crumble when we touch
Em G
We danced to death in the fire
C D
What can we do now the music's done, my love?
