For now the day bleeds into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda
Used to being someone you loved

But now the day bleeds into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda
Used to being someone you loved
I let my guard down
And then you pulled the rug
I was getting kinda
Used to being someone you loved
