

Lewis Capaldi - Survive

tom:
 G D
 How long till it feels
 Em C
 Like the wounds finally starting to heal?
 G D
 How long till it feels
 Em C
 Like I'm more than a spoke in a wheel?

Em
 Most nights, I fear
 C
 That I'm not enough
 G D
 I've had my share of Monday mornings when I can't get up
 Em C
 But, when hope is lost
 D
 And I come undone

G
 I swear to God, I'll survive
 D
 If it kills me to
 Em
 I'm gonna get up and try
 C
 If it's the last thing I do
 G
 I've still got something to give
 D
 Though it hurts sometimes
 Em
 I'm gonna get up and live
 C
 Until the day that I die
 Cm G
 I swear to God, I'll survive

G D
 How long till you know
 Em C
 That, in truth, you know nothing at all?
 G D
 How far will you go
 Em C
 To get back to the place you belong?

Em
 Most nights, I fear
 C
 That I'm not enough
 G D
 But I refuse to spend my best years rotting in the Sun
 Em C
 So, when hope is lost
 D
 And I come undone

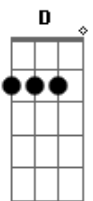

G
 I swear to God, I'll survive
 D
 If it kills me to
 Em
 I'm gonna get up and try
 C
 If it's the last thing I do
 G
 I've still got something to give
 D
 Though it hurts sometimes
 Em
 I'm gonna get up and live
 C
 Until the day that I die
 Cm G D
 I swear to God, I'll survive
 Em C Cm
 I swear to God, I'll survive

G
 I swear to God, I'll survive
 D
 If it kills me to
 Em
 I'm gonna get up and try
 C
 If it's the last thing I do
 G
 I've still got something to give
 D
 Though it hurts sometimes
 Em
 I'm gonna get up and live
 C
 Until the day that I die
 G
 I swear to God, I'll survive
