

Lewis Capaldi - Tough

Tom: **G**

Every little **E** part of me is holding onto every little **Abm** piece you Well I still can't stop chasing **B**

Is holding on to every drop of blood you drew **A**

Is holding onto you **E**

And every waking hour I spend **E**

Holding out for reasons not to go to bed **Abm**

I'm holding out for someone else to hold instead **A**

If every hope of you is dead **E**

Dbm 'Cause every night since you cut and run

I feel like the only one who's ever been the lonely one **A**

Trying to mend a heart that keeps breaking **E**

With every step that you're taking **B**

E 'Cause you've been running circles 'round

My mind, turning me inside out **Abm**

And I fell for you but hit the ground **Dbm**

'Cause the only love I've known has let me **A** **B**

Down and I need lifting up **E**

Now you ain't here I'm sleeping rough **Abm**

And I'm praying I can pray enough **Dbm**

So waking up without you ain't so tough **A** **B** **E**
