

Lewis Capaldi - Tough

Tom: G

Every little part of me is holding onto every little piece you
 Is holding on to every drop of blood you drew
 Is holding onto you
 And every waking hour I spend
 Holding out for reasons not to go to bed
 I'm holding out for someone else to hold instead
 If every hope of you is dead

'Cause every night since you cut and run
 I feel like the only one who's ever been the lonely one
 Trying to mend a heart that keeps breaking
 With every step that you're taking

'Cause you've been running circles 'round
 My mind, turning me inside out
 And I fell for you but hit the ground
 'Cause the only love I've known has let me
 Down and I need lifting up
 Now you ain't here I'm sleeping rough
 And I'm praying I can pray enough
 So waking up without you ain't so tough

I find it hard to find my feet
 When I keep on stumbling over you and me
 But I keep on trying 'cause I know I need
 To outrun the memories

And every day I'm reminded of the way I let it come undone

I feel like the lonely one, the only one with time worth
 wasting

Well I still can't stop chasing
 'Cause you've been running circles 'round
 My mind, turning me inside out
 And I fell for you but hit the ground
 'Cause the only love I've known has let me
 Down and I need lifting up

Now you ain't here I'm sleeping rough
 And I'm praying I can pray enough
 So waking up without you ain't so tough
 Tough
 Tough
 So waking up without you

Say I
 Thought I was talking to you
 Say I

I guess I'm talking to myself
 Me and nobody else

'Cause you've been running circles 'round
 My mind, turning me inside out
 And I fell for you but hit the ground
 'Cause the only love I've known has let me
 Down and I need lifting up
 Now you ain't here I'm sleeping rough
 And I'm praying I can pray enough
 So waking up without you ain't so tough
