

# Lewis Capaldi - Wish You The Best

tom:  
Capostrate na 3ª casa

I miss knowing what you're thinking  
And hearing how your day has been  
Do you think you could tell me everything, darling  
But leave out every part about him?  
Right now, you're probably by the ocean  
While I'm still out here in the rain  
With every day that passes by since we've spoken  
It's like Glasgow gets farther from LA

Maybe it's supposed to be this way

But, oh, my love  
I wanna say: I miss the green in your eyes  
And when I said we could be friends, guess I lied  
I wanna say: I wish that you never left  
Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong  
And you were everything I need all along  
I wanna say: I wish that you never left  
Oh, but instead: I only wish you the best

Well, I can't help but notice  
You seem happier than ever now  
And I guess that I should tell you: I'm sorry

It seems I was the problem, somehow

Maybe I only brought you down

But, oh, my love  
I wanna say: I miss the green in your eyes  
And when I said we could be friends, guess I lied  
I wanna say: I wish that you never left  
Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong  
And you were everything I need all along  
I wanna say: I wish that you never left  
Oh, but instead: I only wish you the best

But, oh, my love  
Ooh  
Oh, my love  
Ooh

Wish I could say it's something I really mean  
But I want you happy whether or not it's with me  
I wanna say: I wish that you never left  
Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong  
And you were everything I need all along  
I wanna say: I wish that you never left  
Oh, but instead: I only wish you the best
