

Lewis Capaldi - Wish You The Best

I miss knowing what you're thinking
And hearing how your day has been
Do you think you could tell me everything, darling
But leave out every part about him?
Right now, you're probably by the ocean
While I'm still out here in the rain
With every day that passes by since we've spoken
It's like Glasgow gets farther from LA

Maybe it's supposed to be this way

But, oh, my love
I wanna say: I miss the green in your eyes
And when I said we could be friends, guess I lied
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong
And you were everything I need all along
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best

Well, I can't help but notice
You seem happier than ever now
And I guess that I should tell you: I'm sorry

It seems I was the problem, somehow

Maybe I only brought you down

But, oh, my love
I wanna say: I miss the green in your eyes
And when I said we could be friends, guess I lied
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong
And you were everything I need all along
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best

But, oh, my love
Ooh
Oh, my love
Ooh

Wish I could say it's something I really mean
But I want you happy whether or not it's with me
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best

I wanna say: Without you, everything's wrong
And you were everything I need all along
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best
