I miss knowing what you're thinking
And hearing how your day has been
Do you think you could tell me everything, darling
But leave out every part about him?
Right now, you're probably by the ocean
While I'm still out here in the rain
With every day that passes by since we've spoken
It's like Glasgow gets farther from LA
Maybe it's supposed to be this way
But, oh, my love
I wanna say: I miss the green in your eyes
And when I said we could be friends, guess I lied
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best
I wanna say: Without you, everything's wrong
And you were everything I need all along
              Fm
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best
Well, I can't help but notice
You seem happier than ever now
And I guess that I should tell you: I'm sorry
```

It seems I was the problem, somehow
              Fm
Maybe I only brought you down
But, oh, my love
I wanna say: I miss the green in your eyes
And when I said we could be friends, guess I lied
              Em
I wanna say: I wish that you never left
              Em
Oh, but instead: I only wish you the best
I wanna say: Without you, everything's wrong
And you were everything I need all along
               Em
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best
But, oh, my love
Em Am
Oh, my love
Fm Am

Wish I could say it's something I really mean
But I want you happy whether or not it's with me
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best
I wanna say: Without you, everything's wrong
And you were everything I need all along
I wanna say: I wish that you never left
Oh, but instead: I only wish you the best
