

Lewis Watson - It Could Be Better

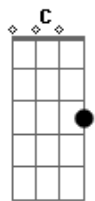

Tom: C

Intro: Am F G F

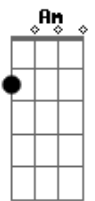

I don't want to talk^{Am}
 Cos it will only hurt more^F
 I don't want to bring it up again^{Am}
 Cos it hurt like hell before^{D F}
 You know me too well^{Am}
 You make my head spin and I'll just say something wrong^{C F}
 You pull me out of my shell^{Am}
 And then hate me when I'm done^{G F}
 But if the rain keeps falling^G
 And you can't see the tears in my eyes^F
 They say the night is daunting^G
 But we all need somewhere to hiiiide^{F C Dm}
 So it could be better if I kept it to myself^{Am C F}
 It could be better if I left it on the shelf^{Am C F}
 Before I go and say something I don't mean^{G F}
 It could be better if I kept it to myself^{Am C F}
 Let's wipe the slate clean^{Am}
 And I'll bottle it up again^F
 It's just how I've always been^{Am}
 Even without you^F

Cos if the rain stops falling^G
 And you start to see the tears in my eyes^F
 And if the night stops calling^G
 And we won't have somewhere to hiiiide^{F Em Dm}
 So it could be better if I kept it to myself^{Am C F}
 It could be better if I left it on the shelf^{Am C F}
 Before I go and say something I don't mean^{G F}
 It could be better if I kept it to myself^{Am C F}
 I'd rather forget than have to forgive^{F Dm}
 I'd rather lose it than live with this memory^{Am G}
 Don't want to accept the things that you did^{F Dm}
 I try not to show it but you know it hurts me^{Am G}
 I'd rather forget than have to forgive^{F Dm}
 I'd rather lose it than live with this memory^{Am G}
 Don't want to accept the things that you did^{F Dm}
 Cos you know it hurts me, yeah^{Am G}
 Before I go and say something I don't mean^{F Am G}
 Before I go and say something I don't mean^{F Am G}
 Before I go and say something I don't mean^{Am C F}
 So it could be better if I kept it to myself^{Am C F}
 It could be better if I left it on the shelf^{G F}
 Before I go and say something I don't mean^{G F}
 It could be better if I kept it to myself^{Am C F}
