

Lewis Watson - When The Water Meets The Mountains

Tom:
[Verso 1]

G **D** **A**
It's starting here, it's starting now
G **D** **A**
I've never known quite where to start
G **D** **A**
What better time to let your hair down
Bm **A** **D**
Don't be scared of the dark

[Verso 2]

G **D** **A**
Interruptions on the TV
G **D** **A**
They're telling us how to build an arc
G **D** **A**
Well shut your mouth and play some Springsteen
Bm **A** **D**
'Cause pretty soon we'll be dancing in the dark

[Refrão]

D
I'll tell you now
Bm **A**
I could lay like this forever
G **A**
'Cause tomorrow isn't ever
D **G** **A**
Coming 'round
D
If it's the end
Bm **A**
Then let's see it out together
G **A** **D** **G** **A**
We'll fall asleep and never hit the ground

(**G** **D** **A**)
(**G** **D** **A**)

[Verso 3]

G **D** **A**
Sirens sending out their warning sounds
G **D** **A**
But all that I can hear is you
G **D** **A**
We're making shapes out of the rain clouds
Bm **A** **D**

As they march us in two by two

[Refrão]

D
I'll tell you now
Bm **A**
I could lay like this forever
G **A**
'Cause tomorrow isn't ever
D **G** **A**
Coming 'round
D
If it's the end
Bm **A**
Then let's see it out together
G **A** **D** **G** **A**
We'll fall asleep and never hit the ground

(**Bm** **D**)

G
When the water meets the mountains
D
And we can't keep afloat
A
Let's let ourselves go under
Bm **A**
Someday we will all be ghosts
G
When we can't climb any higher
D
'Cause we're running out of rope
A
Let's let go of it all
G **Bm** **A**
?Cause someday we will all be ghosts

G
And when the water meets the mountain
D
And we can't keep afloat
A
Let's let ourselves go under
Bm **A** **G**
Someday we will all be ghosts
G
When we can't climb any higher
D
'Cause we're running out of rope
A
Let's let go of it all
Bm **A** **G**
?Cause someday we will all be ghosts
