Then let's see it out together
G A D G A
We'll fall asleep and never hit the ground
(G D A)
(G D A)

Sirens sending out their warning sounds

But all that I can hear is you

We're making shapes out of the rain clouds

As they march us in two by two

D
I'll tell you now
Bm A
I could lay like this forever
G A
'Cause tomorrow isn't ever
D G A
Coming 'round
D
If it's the end

Then let's see it out together
G A D G A
We'll fall asleep and never hit the ground
(Bm D)

G
When the water meets the mountains
D
And we can't keep afloat
A
Let's let ourselves go under
Bm A
Someday we will all be ghosts
G
When we can't climb any higher
D
'Cause we're running out of rope
A
Let's let go of it all
G Bm A
?Cause someday we will all be ghosts
G
And when the water meets the mountain
D
And we can't keep afloat
A
Let's let ourselves go under
Bm A G
Someday we will all be ghosts
G
When we can't climb any higher
D
'Cause we're running out of rope
A
Let's let go of it all
Bm A G
?Cause someday we will all be ghosts
