

Lexi Jayde - Cheap Flowers

tom:
Capostrate na 4ª casa
Intro: G D Em C

[Primeira Parte]

Since I was eight years old
My dad walked in with flowers
Like he did every week
If you could see her eyes
Her stomach filled with butterflies
She was so happy

[Pré-Refrão]

It's the morning walks
It's the midnight talks
It's the note on the counter
Date for an hour
Don't let a good thing die
Would it kill you to try? Mmmm

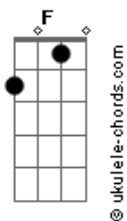

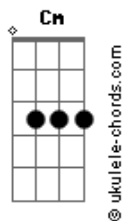

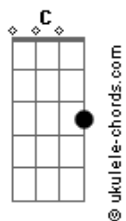

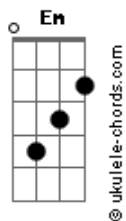

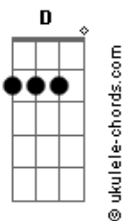

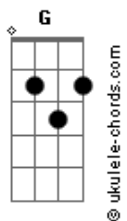

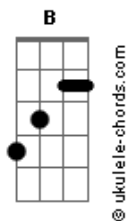

[Refrão]

If you wanna grow this garden
You can keep it alive if you water it
All I want is for you to feel the same
And if you wanna grow this garden
You can meet me halfway if you want it
All it takes is a reason to make me stay

[Segunda Parte]

We got our first fight in your parent's driveway
Sayin' shit that we didn't mean
And your mom's so sweet

Acordes

So I sat there with a fake smile
She knew I wanted to leave

[Pré-Refrão]

It's the morning walks
It's the midnight talks
It's the note on the counter
Laugh in the shower
Don't let a good thing die
Would it kill you to try? Mmmmmmm, no

[Refrão]

If you wanna grow this garden
You can keep it alive if you water it
All I want is for you to
Feel the same (No, no, no, oh)
And if you wanna grow this garden (This garden)
You can meet me halfway if you want it
All it takes is a reason to
Make me stay (To make me stay)

[Ponte]

Just give me a reason, reason, reason
Just give me a reason, reason, reason
Just give me a reason, reason, reason
No, no, no
Oh

And if you wanna grow this garden
You can meet me halfway if you want it
All it takes is a reason to make me stay
