I've gone so far, my hands are high
  D7sus2
But I want to touch you
   F7M
Cause I know you're lonely
            F7M
I've seen despair, but I still care
 D7sus2
My heart is together
 F7M
My head is exploding
Everyone out there says you've been going a bit too hard
Everyone out there says you've been testing man and god
                  F7M
Trying to make the scene
Why don't you come back to me
                          D7sus2
Why don't you come back to me
F7M G
Why don't you come back to me
Tired of myself, thank god some help
  D7sus2
\ensuremath{\mathrm{I'm}} coming and going
            G
I can't get enough in
```

```
Get high, get saved
F7M
Look out, be brave
    D7sus2
                                  F7M
