

Liam Payne - Get Low

Tom: F

m Fm
Chained to a love
Db
But that don't mean much
Bbm
Sensitive tough, you don't get enough
Fm Db
I've been drowning in your, lost in the rush
Bbm
Faded, you stuck? I'll help you up

Fm
I don't care if we get too loud
Db
Sexy, I want you now
Bbm
Bet I could take you there
Cm
Whispering in your ear
Fm
What do you wanna feel?
Db
Let's just enjoy the thrill
Bbm
I'll take over the wheel
Bbm
And give you the touch you're missing

[Refrão]

Fm
Get low, get low
Db
Hands on your waist, let's go
Bbm
Get low, get low
Bbm
Girl, you got the vibe, I'm up for the climb
Fm
Get low, get low
Db
Hands on your waist, let's go
Bbm
Get low, get low
Bbm
Girl, you got the vibe, I'm up for the climb

Fm Db
Beautiful as you are, I wanna light up your dark
Bbm
Maybe you don't believe in me
Bbm
It's hard to know what you see in me
Fm
Don't be quick to say no
Db
My chest is your pillow
Bbm Bbm
Come out of the shadows, I know that you're fragile, yeah

Fm
I don't care if we get too loud
Db
Sexy, I want you now
Bbm
Bet I could take you there
Cm
Whispering in your ear
Fm
What do you wanna feel?

Db
Hands on your waist, let's go
Bbm
Get low, get low
Bbm
Girl, you got the vibe, I'm up for the climb

Fm
I like the way you take me there
Db
I like the way you touch yourself
Bbm
Don't hold back, I want that
Cm
When the water come down, I'mma get in that
Fm
Get low, get low
Db
Hands on your waist, let's go
Bbm
Get low, get low
Bbm
Girl, you got the vibe, I'm up for the climb

[Ponte]

Fm Db
I'm right here, you know, when your waves explode
Bbm
Escape the undertow
Bbm
Know that you've been broken
Fm
Know that you've been hoping
Db
Swimming in your ocean
Bbm
A new life is floating
Bbm
The stars were made to shine
Fm
Reach up and make a wish
Db Bbm
It's a beautiful time, I hope you take a glimpse
Fm
We're the sound of lovers blowing crazy in the wind
Db Bbm
You don't have to pretend
I don't care where you've been

Fm
I don't care if we get too loud
Db
Sexy, I want you now
Bbm
Bet I could take you there
Cm
Whispering in your ear
