

Lian Ray - Mateo

tom:

A

Do you miss me?

When you close your tender eyes and go

To the backroom of your mind?

Do you copy?

Only static on the line, I can't

Recall the sweet sound of your voice

Do you love him?

More than I love you?

Well of course you do

Do you miss him?

More than I miss you?

Well of course you do

Dbm A E A

Well of course you do

Dbm

Are you sorry?

A E

What a cruel little bitch you are

A

I think it's turning me on

Dbm

Are you happy?

A E

When you look him in the eyes and cum?

A

Or can you still hear the song?

Dbm A

Do you love him?

E A

More than I love you?

Dbm A

Well of course you do

Do you miss him?

E A

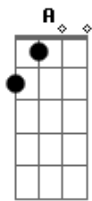

More than I miss you?

Well of course you do

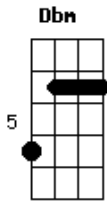

Dbm A E A

Well of course you do
