tom:

Intro: <sup>E</sup> Fm- <sup>E</sup> Gbm7 <sup>B</sup> <sup>E</sup> Fm- <sup>E</sup> Gbm7 <sup>B</sup>

<sup>E</sup>  
I could live in my head  
<sup>Dadd9</sup> <sup>Db6</sup> <sup>A7M</sup>  
Writing up a script of words that were never said  
<sup>A</sup> <sup>E</sup>  
Things that never happened to me  
<sup>Gm</sup> <sup>Gbm</sup> <sup>E</sup>  
But there are plenty more fish in the sea

( <sup>Gm</sup> <sup>Gbm</sup> )

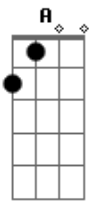

<sup>E</sup>  
I could go for a walk  
<sup>Dadd9</sup> <sup>Db6</sup> <sup>A7M</sup>  
Pretend the sunshine on my skin could silence my thoughts  
<sup>A</sup> <sup>E</sup>  
And longings for what could be  
<sup>Gm</sup> <sup>Gbm</sup>  
But that doesn't come so easily

<sup>Dbm</sup>  
I could drive myself mad  
<sup>E</sup>  
Endlessly reliving moments we never had  
Painting brighter memories  
<sup>Dbm</sup> <sup>E</sup> <sup>F-</sup>  
That can't match up to what's real  
<sup>E-</sup> <sup>A7M</sup>  
So I hold on to the past  
<sup>A</sup> <sup>E</sup>  
Hope that this won't last

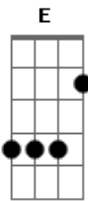

<sup>E</sup>  
I could live in my head  
<sup>Dadd9</sup> <sup>Db6</sup> <sup>A7M</sup>  
Writing up a script of words that were never said  
<sup>A</sup> <sup>E</sup>  
Things that never happened to me  
<sup>Gm</sup> <sup>Gbm</sup>  
But there are plenty more fish in the sea

<sup>E</sup> <sup>E</sup>  
Plenty more fish in the sea
